Policies

Payment

- Courses must be paid in advance.
- \$25 for credit recovery, \$10 for courses that are not to recover credit.
- **Courses must be completed by July 12 or they will be archived. If courses are archived, students will have to pay for the course again and complete the entire course from the beginning to receive credit.**

Attendance and Course Progress

- Work can be done at home, but all tests must be taken at school.
- Please indicate on the form below if you plan to work from home or at school. Roll will be taken for those who indicate they plan to work at school.
- Students are expected to work while they are in the counseling center during summer school. If a student repeatedly fails to do work or distracts others, he or she may be asked to leave, at which point parents will be notified. This may result in the forfeiture of the course.
- A score of 70% is required for students to pass a test on Odysseyware and 80% on math tests in Aleks. If a student fails the same unit test twice, they will be required to retake all unit quizzes before a test retake is allowed. Retakes are unlimited in Aleks as long as the student completes 90% of the work before taking the test.
- If a student fails the unit test three times, they will be required to retake the entire unit.
- Cheating and plagiarism will require a student to forfeit the course. Approval from administration is required to repeat the course. The student will be required to pay for the course again upon approval.
- All course work must be completed with a 70% passing rate.

Please detach the bottom portion of this form and return it on the first day of summer school.
